

IMPETUS

YOU INSPIRE US

Overview

IMPETUS its a **family business** that was created in **1973**, with 6 sewing machines and 4 workers;

Nowadays, and still owned by the founders, the business became a group of **4 companies**, with approximately 900 employees, and an annual **production of 25,000,000 articles**;

The whole production, **100% made in Portugal**, is exported to markets and customers worldwide.

Overview

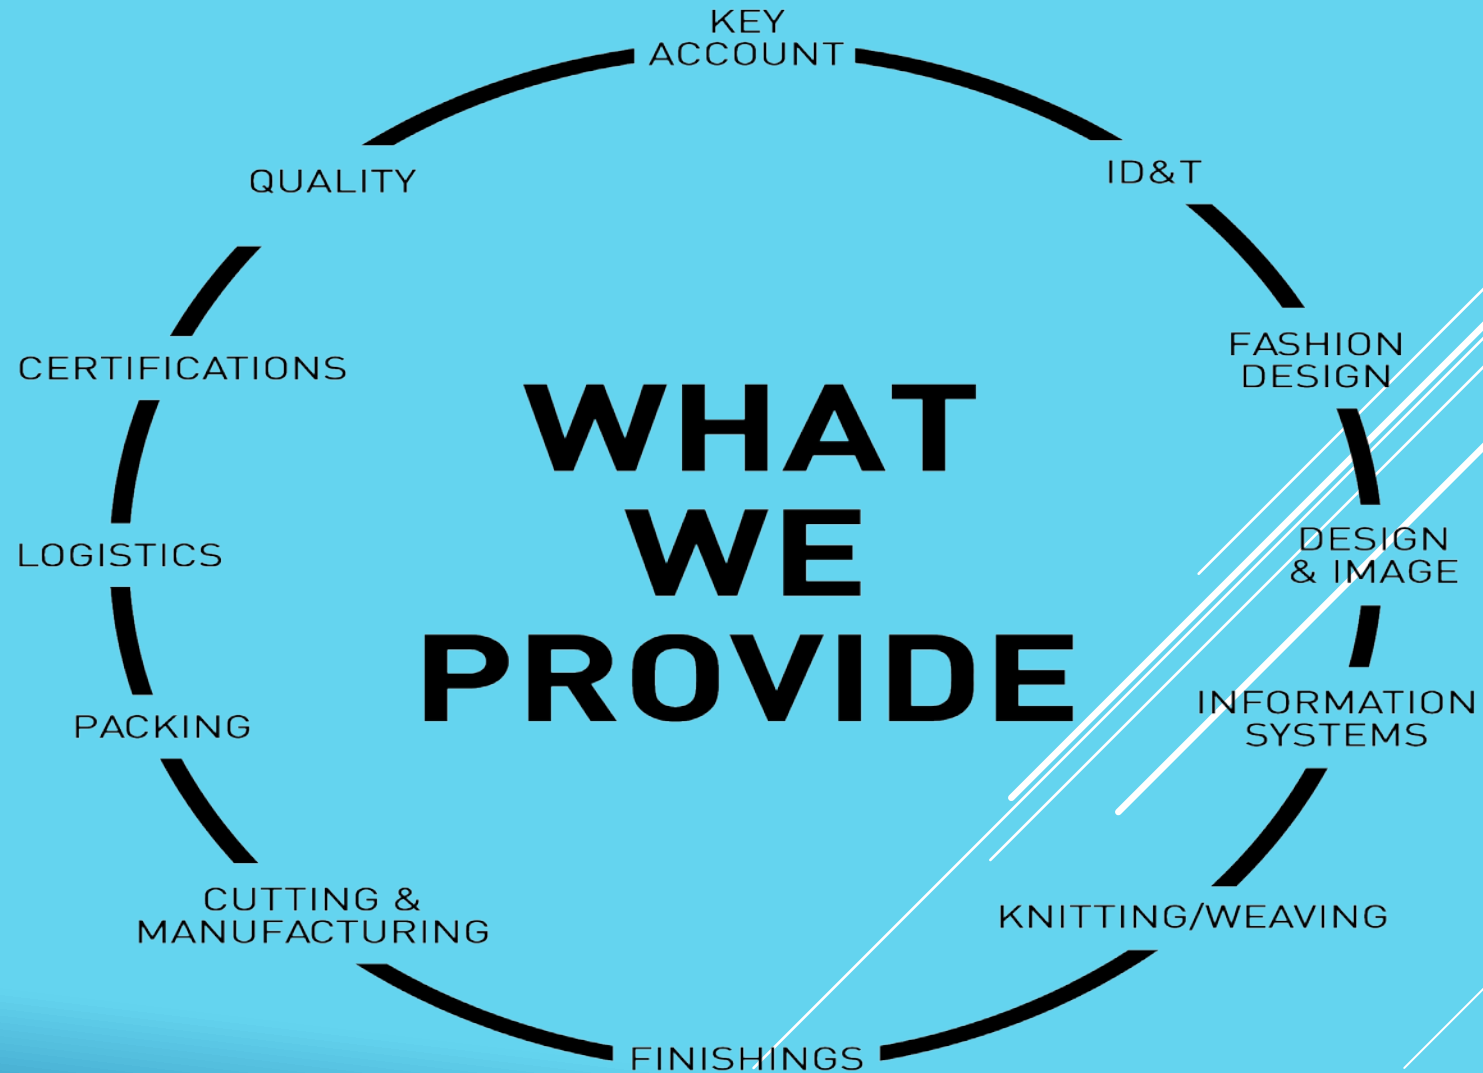

Presenting a **vertical structure** (from yarn to logistics), IMPETUS became specialized in the production of **CUT & SEW** and **SEAMLESS** garments;

The **experience** acquired along more than 40 years, together with the strong and **continuous investment in innovation and technology**, placed us among the **biggest and most advanced textile manufacturers** in Europe, as a leading company in research, design, quality and service.

We base our conduct, attitude and relationships on **dialogue** and **full transparency**, with the main goal of **create strong and long-lasting relations** that result in **mutual benefits**.
