TICE.PT
Tecnologias da informação comunicação e eletrónica

- Context:
  - to promote cooperation between the corporate sector and SCTN in specific areas
  - to facilitate the internationalization process
- concept of "mirror platform"
  - to use as a reference the existing ETP's
  - To have in Portugal the same objectives:
    - *To identify areas of R&D & I*
    - *To influence the national eco-system*

TICE.PT
Tecnologias da informação comunicação e eletrónica

- Objectives of a "Mirror plataform“
  - To create thematic discussion groups within the TICE.PT
  - To increase interaction between national players and the ETP's
  - To spread and discuss European strategies and align/influence the European position with the portuguese one;
  - To build national and international consortia involving national actors (H2020 and P2020)
