

 **BUSINESS CLUB**
BELGIUM-LUXEMBOURG

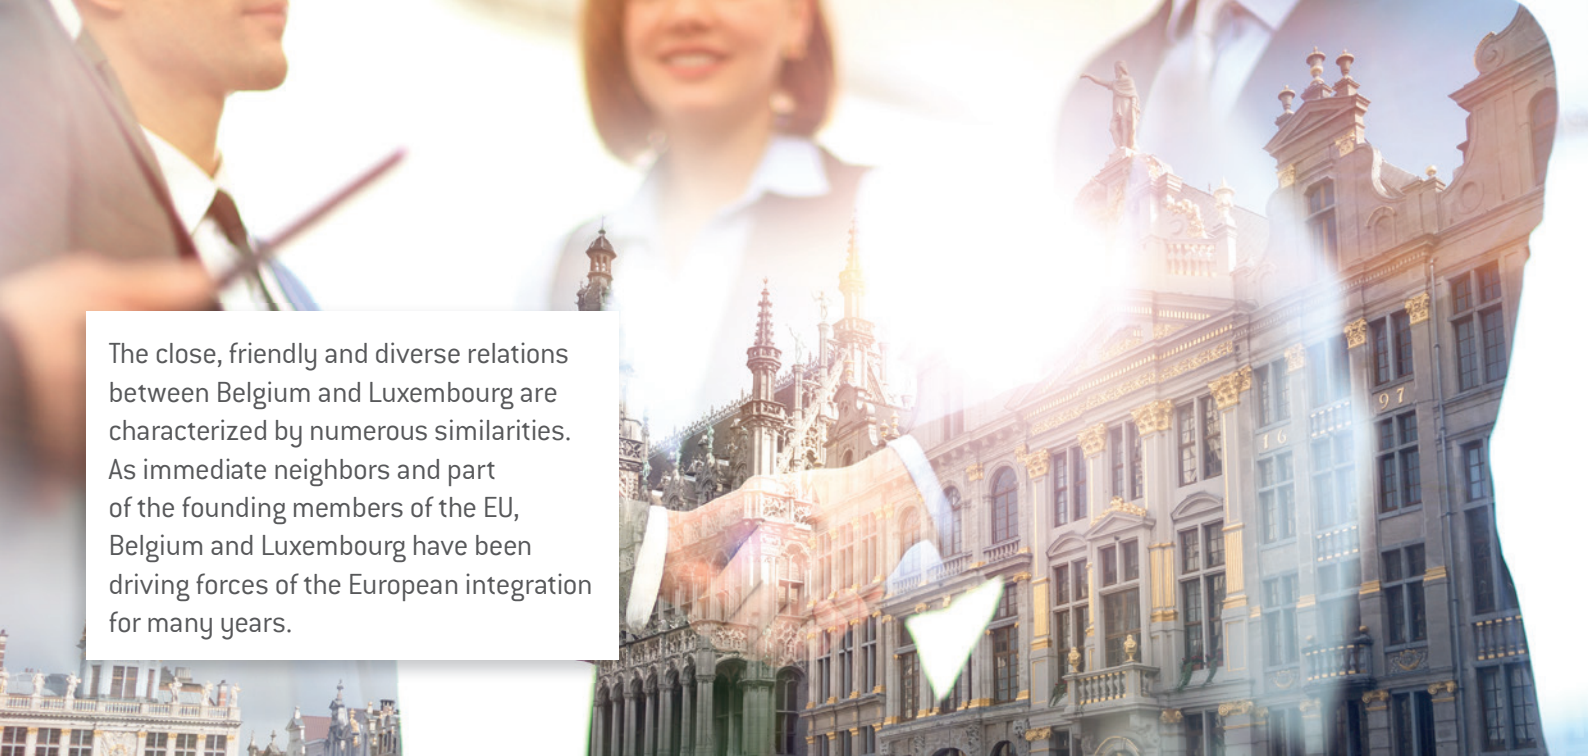

FURTHER TOGETHER

Business people and entrepreneurs from all sectors of the economy meet at the Business Club Belgium-Luxembourg, Belgium's exclusive network for all who share a common interest in the Grand Duchy of Luxembourg.

Since its founding in 2017, the Brussels-based network supports Belgium-Luxembourg economic relations and maintains close contacts with the Luxembourg political and business representatives.

The close, friendly and diverse relations between Belgium and Luxembourg are characterized by numerous similarities. As immediate neighbors and part of the founding members of the EU, Belgium and Luxembourg have been driving forces of the European integration for many years.

Our members include small, medium and large companies from different business areas who are interested in exchanging knowledge and experiences as well as establishing and maintaining contacts.

The Business Club Belgium-Luxembourg is a Belgium-wide network that organises three to five events per year. We invite you to receptions, sector-specific business seminars and organize business trips.

We give the Belgium-Luxembourg economic relations a voice and the bilateral partnership a face. In doing so, we regularly assist companies in their market entry into the neighboring Luxembourg or Belgium.

We organise discussions in close cooperation with the Luxembourgish associations and business representatives and offer our members access to business partners at the highest level.

We are pleased to have the active support of the Embassy of Luxembourg in Brussels and of the Luxembourg Chamber of Commerce, who have been sponsors of our network from the start.
