GO INTERNATIONAL

The promotion of the Luxembourg economy and international prospection is led by Luxembourg's Trade and Investment Board which falls under the Honorary Chairmanship of HRH the Hereditary Grand Duke and is chaired by the Minister of the Economy.

In practice, all the promotion and prospection activities are organised mainly by the Ministry of the Economy, the Ministry of Finance, the Ministry of Foreign Affairs, the Chamber of Commerce and Luxinnovation, Luxembourg's national innovation agency. **The Chamber of Commerce and Luxinnovation work alongside the Ministry of the Economy to foster innovation, fuel international growth and attract foreign direct investment.** Their coordinated work is presented under a single web platform: www.tradeandinvest.lu.

Within this set-up, the Chamber of Commerce promotes the internationalisation of Luxembourg companies, the quality of the goods exported and the various services of Luxembourg origin while the Ministry of the Economy's focus is to promote Luxembourg as a prime business location for foreign companies with the help of Luxinnovation. Luxembourg's national innovation agency is mostly in charge of a proactive targeting, sectoral prospection, as well as of business development and market studies.
