

## Tender Alert Service

Options	Description	1 year
« Greater Region » Package <sup>1</sup>	<p>The « Greater Region » package provides you with a list of public tenders published in the newspapers of the Greater Region (BE/FR/DE/LU) that are not published on a European level. Your personal codes give access to the published texts.</p> <p><b><i>Be informed about public procurement projects in the Greater Region!</i></b></p>	€ 365
« Europe » Package	<p>The « Europe » package offers you the possibility to receive public tenders daily by e-mail that are published on a European and international level and that correspond to your company's profile. The tender selection is based on different criteria such as key words, target countries and CPV codes. The package includes tenders from various sources from European and International institutions.</p> <p><b><i>Interesting public tenders on your screen for only 1 euro per day!</i></b></p> <p><i>In case of need, geographical (€ 95) and/or thematic (€125) additional profiles can be created, subject to additional payment.</i></p>	€ 365
« Combi » Package	<p>The « Combi » package offers you both the « Greater Region » and the « Europe » package at an interesting price.</p> <p><b><i>The ideal package if you don't want to miss out on any public procurement opportunity!</i></b></p>	€ 650

<sup>1</sup> The « Greater Region » package is proposed thanks to the collaboration between the Europa- und Innovationscentre (EIC) in Trier and the Enterprise Europe Network -Luxembourg / Chamber of Commerce of the Grand Duchy of Luxembourg.
