Subject: Country seminar: Czech Republic – 22nd of September 2015

Dear Madam, Dear Sir,

I hereby have the pleasure to inform you that the Minister of Industry and Trade of the Czech Republic, H.E. Mr. Jan Mládek, will be visiting Luxembourg on September 22, 2015. In the framework of this visit, the Chamber of Commerce, in close cooperation with the Embassy of the Czech Republic in Luxembourg, will organise a country seminar on economic opportunities in the Czech Republic. The event will take place on the 22nd of September and will start at 4:30 pm at the Luxembourg Chamber of Commerce (7, rue Alcide de Gasperi, L-2981 Luxembourg).

As one of the most successful Central and Eastern Europe (CEE) countries in terms of attracting foreign direct investment, the Czech Republic has the potential to offer fruitful business opportunities to Luxembourg companies. The Czech Republic has a projected GDP growth rate of 2.5% (IMF) in 2015, which ranks amongst the highest in the EU. Furthermore, the country benefits from other assets, such as a significant industrial potential (38% of GDP), a large trade surplus and an attractive business environment. The Czech economy is characterised by the predominance of several key sectors which include: ICT, Automotive Industry, Energy and Environment, Aerospace, Green Mobility, Life Sciences, Nanotechnology and Advanced Materials.

This seminar reflects the determination to strengthen and deepen commercial and economic ties between the two countries. During the event, special emphasis will be put on two target sectors, namely ICT and green technologies, specifically the field of renewable resources. However, other key sectors of the Czech economy will of course also be addressed.

Your company is cordially invited to this event during which you will be able to discover the Czech economic landscape and its business opportunities. Furthermore, the seminar will also include a round table offering the possibility to present your products and services, as well as your activities and potential projects in relation to the Czech market. In this context, we would like to remind you that the Chamber of Commerce will also organise a Business Opportunity Day on the Czech Republic on November 17, 2015.

Interested companies are kindly requested to duly complete the attached registration form and return it to the International Affairs, e-mail: europa@cc.lu. The registration deadline is **September 20, 2015**. Participation to this event is free of charge.
