**Subject: Country Seminar: Lithuania – 29<sup>th</sup> of September 2015**

Dear Madam, Dear Sir,

On behalf of the Luxembourg Chamber of Commerce, I am pleased to invite you to the Country Seminar on Lithuania, which will be organised in cooperation with the Embassy of Lithuania to Luxembourg on September 29, 2015 at 16:00 in our premises.

Lithuania's small but dynamic economy has almost doubled in size since 2000. With a growth forecast of 3.3% for 2016, the country emerges as one of the fastest growing economies in the EU. The beginning of this year was marked by the introduction of the Euro. As the last of the Baltic States, Lithuania became the 17<sup>th</sup> EU member State to join the Eurozone with the introduction of the single currency on January 1, 2015. Lithuania's main areas of focus are shared services, manufacturing including mechanical engineering and electronics, ICT and Life Sciences. Interesting opportunities also arise for foreign companies in the fields of public infrastructure projects and public-private-partnerships.

This country seminar aims at informing interested companies about the Lithuanian economic landscape and business opportunities between Luxembourg and Lithuania in various sectors of activity. During this event, special emphasis will be put on the financial sector, and more specifically on banking and venture capital. The seminar will be followed by a networking reception.

Interested companies are kindly requested to duly complete the attached registration form and return it to the International Affairs, e-mail: [europa@cc.lu](mailto:europa@cc.lu). The deadline for registration is **September 25, 2015**. Participation to this event is free of charge. For any further information regarding this upcoming event, please feel free to contact Ms. Anne-Marie Loesch or Mrs. Diana Rutledge, Tel: 42 39 39 - 312/335; e-mail: [anne-marie.loesch@cc.lu](mailto:anne-marie.loesch@cc.lu) / [diana.rutledge@cc.lu](mailto:diana.rutledge@cc.lu).
