VIVA
TECHNOLOGY

The background of the image is a vibrant scene from a technology event. A large, dense crowd of people is visible, mostly in silhouette, looking towards a stage area. The scene is illuminated by a complex array of laser lights in various colors, including bright yellow, red, and blue. These lights create a dynamic, geometric pattern of lines and shapes, resembling a stylized 'V' or a series of overlapping planes. The overall atmosphere is energetic and futuristic.
