**Finance has become an integral part of Supply Chain Management - a lead topic of all news worldwide since the start of the Covid-19 pandemic - we will take a deep-dive into the intricacies of the supply chain, with special regard for financial and operations planning in the process - here is a sampling of topics:**

- optimizing my working capital with rising interests rates
- financing my suppliers and their suppliers
- deep supply chains and transparency
- due diligence in SCs
- geopolitical implications and nearshoring
- risk and resilience
- fintech and SC finance
