		TRANSFER	PROGRAMME IN NEW YORK		TRANSFER	

Important notice

- Companies may choose to participate in the programme in Colorado Springs and/or in New York.
- Please note that participation in the Space Symposium is subject to eligibility requirements; only companies operating in the Space and Defence sectors are eligible.
- Participants attending the Space Symposium will benefit from a preferential \$200 ticket (initially worth \$3,260). As the number of preferential tickets is limited, they will be allocated on a “first come, first served” basis.

Version of: 12.12.2025

- Each participant is personally responsible for their flight reservations. Due to the unpredictability of air travel, we highly recommend making a reservation that can be changed/refunded.
- Once hotel recommendations are published, we kindly encourage companies to book promptly, as demand is expected to be high.
- Bus transfers are organised according to the proposed flights. Participants arriving individually will need to arrange their own transport to join the delegation.
