NP

A national pavilion allows you to participate as exhibitor in a trade fair at low cost while not having to worry about any stand building issues and while benefitting from joint promotional efforts.

TV

A trade fair visit allows you to discover a trade fair and the latest trends of your sector during a 1-3-day group visit. Most trade fair visits include b2b meetings and / or side events allowing to get the most out of your visit.

SE

A side event is an event organised at the occasion of a trade fair in order to enhance networking opportunities and to promote Luxembourg amongst the trade fair's target group.

**Interested in participating in a trade fair individually?** Please note that you might be eligible to get financial support for the costs related to your participation via the **Office du DuCroire**. More information can be found on <https://odl.lu/en/financial-support>.
