BUSINESS TO BUSINESS MEETINGS (MATCHMAKING)

Participants who have requested business to business meetings will receive an individual planning of meetings upon departure (final planning on the spot). These meetings are organised by the German Chamber of Commerce and Industry in Japan (AHK Japan) and by a Japanese consultant hired by the Luxembourg Chamber of Commerce specifically for this purpose.

The meetings will take place in the local companies, or possibly at the hotel. Participants can use Taxi services offered by the hotel. Each participant is personally responsible for his transport. Interpreters will be foreseen. Please note that half of the cost of the interpreters will be re-invoiced to the companies individually after the mission.
