# Single Window for Logistics

EN FR

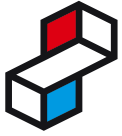

WHY LUXEMBOURG   SETUP YOUR BUSINESS   **FORMALITIES & PROCEDURES**   HELP

## FORMALITIES & PROCEDURES

During the international movement of goods, general formalities are [applicable to any type of goods](#). Other formalities are more specific to certain types of goods. [Taxes and fees](#) need to be paid and [certificates, authorizations or licences](#) have to be requested from the various Luxembourg [government agencies](#) involved in the logistics chain. These requests can be made with [online services](#).
