Formation  
professionnelle  
initiale

- Initial VET

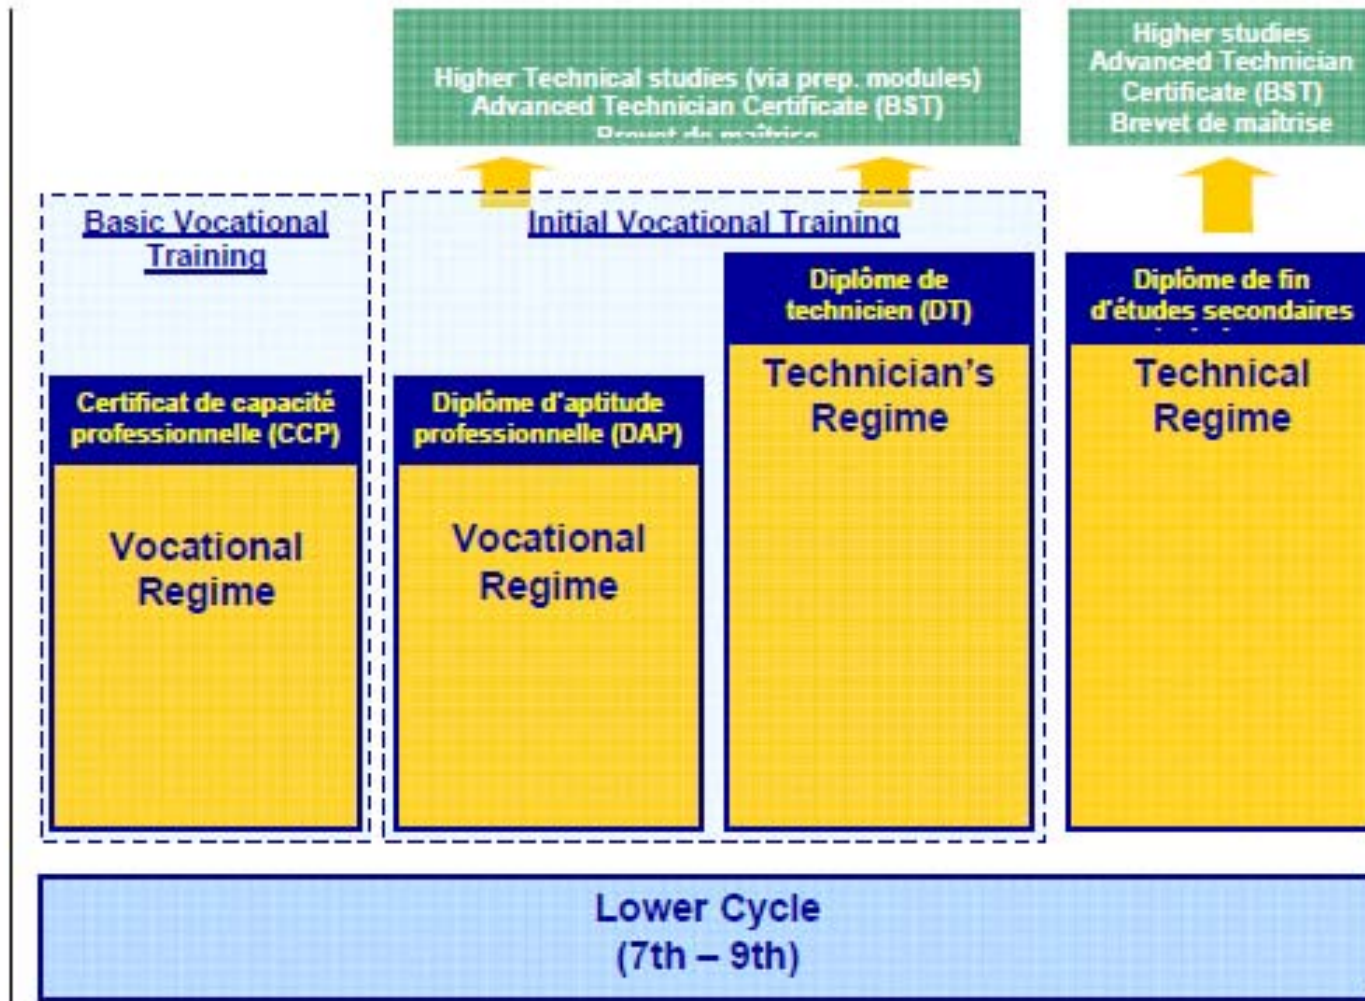

Formation  
professionnelle  
continue

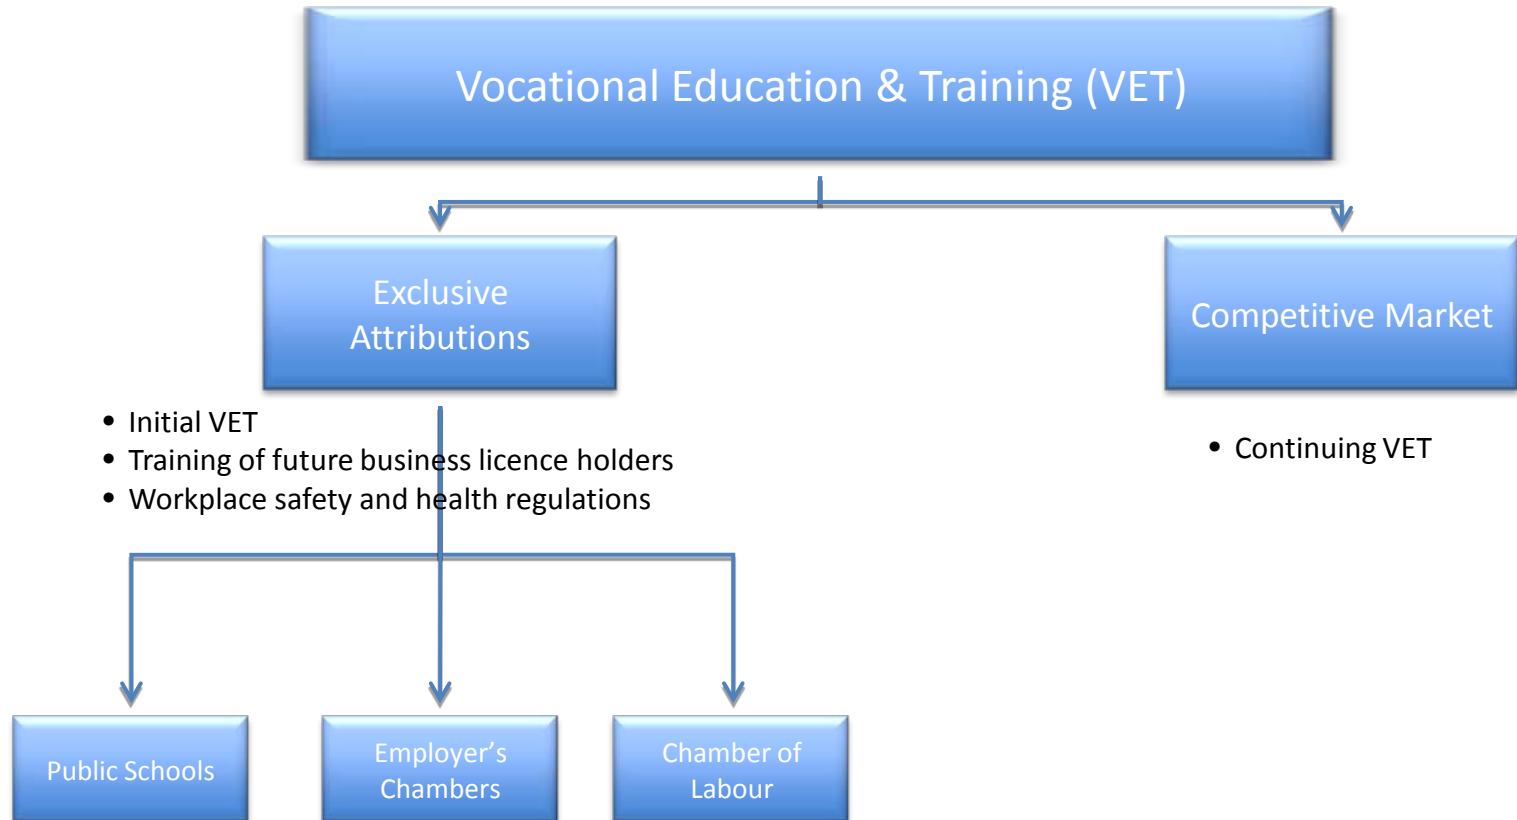

- Continuing VET

Formation  
universitaire

- Higher education

# I-VET in TransLog > basic

- Gestionnaire qualifié en logistique / Fachlogistiker
  - Luxembourg
    - Diplôme d'aptitude professionnelle (DAP)
      - Blue collar worker
- Kaufmann/-frau für Spedition und Logistikdienstleistung
  - Germany + Luxembourg > cross-border VET
    - “Kaufmannsbrief” + DAP
      - White collar worker

# C-VET in TransLog > intermediate

- Seminars in SCM, Green Logistics, Customs, ...
  - Luxembourg + Greater Region
    - 0,5-4 days > LSC, OLAP, CRP-HT, Kluwer, ...
      - Certificate
    - 6-12 months > heterogeneous offer throughout GR
      - Diploma
- ELA Certification
  - Assessment independent of learning programs
  - Assessment by National Certification Boards established in each member country

## C- VET in TransLog > higher

- Executive Master's degree
  - Luxembourg > consortium: LSC+CRP-HT+ENIM
    - 2 years interactive program delivered by both academic staff and field practitioners
    - Focused on strategic issues + SCM optimization
- Full-time B.A./M.A. or engineer
  - Greater Region
    - Covering specific fields of SCM
    - Combined with innovation + quality management

# What's lacking in training offer?

- DIAGNOSIS:
  - Extensive heterogeneous training portfolio
  - Lack of I-VET offer above DAP
  - Lack of C-VET offer focusing middle management
  - Lack of comprehensive modular training concept
  - Lack of English-spoken training
- WHAT SHOULD BE DONE?
  - I-VET > upper level initial training > technician
  - C-VET > training offer focused on middle management needs

# Possible transversal C-VET topics
