The Grand Duchy of Luxembourg will participate for the 5th consecutive time in the single biggest construction trade fair in the Middle East, the BIG 5 Show, which will be held in the Dubai International Exhibition and Convention Centre from 23-27 November. This year, the Luxembourg pavilion will host seven companies who are eager to show their newest products and developments to the 50,000+ expected visitors. The Luxembourg national stand will have a vast range of products to offer: from steel products made by ArcelorMittal, the world's number one steel company, to hand-made wooden staircases designed by Menuiserie Kraemer.
