Quelques chiffres **chocs**

(Source : étude T.I.R.)

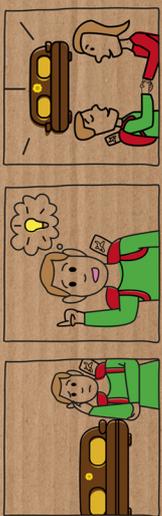

(Source : O.N.U.)

2 Repair Nothing is created.

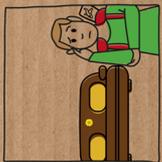

Nothing is lost...

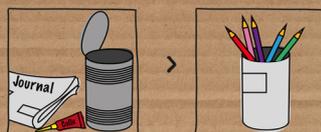

What to do with that old sofa cluttering up the place?

1 Reuse

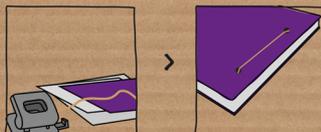

Chez soi ou au bureau, **l'économie circulaire** peut s'appliquer à travers des petites **astuces du quotidien**

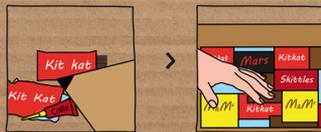

**Pot à crayons** contemporain

**Blocs-notes** écolo

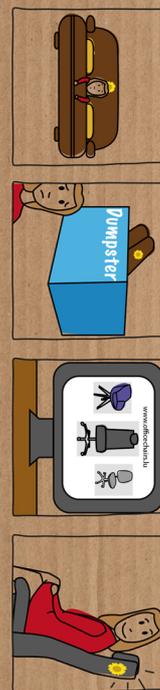

**Sous-main** gourmand

Mercur mai/juin 2016 - 80 Graphiste Freelance

3 Recycle

Everything is transformed!

What if, instead of throwing away, we **repair, recycle, reuse**?  
The circular economy gives us the opportunity to do more and better with less, so let's apply together the 3R rule to ensure our future and that of generations to come!
